Miss Mary W. Cross
10 St. Francis Place
Brooklyn, New York

My dear Miss Cross:

I doubt very much whether the Russian and German medals will sell in this country. There is such little demand for medals here. I am at a loss to advise you as to where you might dispose of them, but on a chance I am writing to a man in California. If he is interested he will probably communicate with you.

Yours very truly,

Curator.
